

For our maternity patients, the peace & quiet of your very own private room, guaranteed*...
when only the best will do!

St George Private continues to be a leader in all areas of maternity & clinical services.
From the simplest of day procedures through to complex neurosurgery our team of specialists & dedicated staff is proud to provide our patients with the best possible care & support – all in the comfort of a modern, progressive environment.

It's not **just** health care, it's a commitment – people caring for ^{little} people!

*Additional charges may apply - please check your Health Fund cover.
