Private Hospital
Part of Ramsay Health Care

GP Direct Access (02) 9598 5455

St George Private Hospital's communication line solely for GP's to assist with improving clinical pathways for you and your patients.

Following feedback from you regarding access to information on specialists & patient information at St George Private Hospital, we have listened and implemented a GP direct access hotline.

The GP hotline will ensure we are easily accessible 24/7. We welcome you to call us on the hotline if:

- You are looking for a specialist to refer to in your area?
- You need to find a specialist with a specific sub-specialty interest?
- You would like information on services available at St George Private?
- You require information on one of your patients that has been admitted to our facility?

If YES please call our direct GP hotline to speak with a hospital representative who can assist you.
